OFFICE OF
THE SECRETARY OF STATE
STATE LAND OFFICE

Easement No. 6070E

The STATE OF IOWA, pursuant to Iowa Code Section 306.45, subject to conditions listed in this easement, hereby conveys a permanent easement for pipeline to Buckeye Pipe Line Transportation, LLC, a Delaware limited liability company, and its heirs, assigns, and successors in interest in real estate in Pottawattamie County, Iowa, described as:

A 50' permanent easement located in the SW¼ NE½ of Section 18, Township 74 North, Range 43 West of the 5th P.M., Pottawattamie County, Iowa, as shown on Exhibit "A" attached hereto and by this reference made a part hereof, said easement being 25' on either side of the following described centerline:

Beginning at a point in the Northeast Quarter of Section 18, which lies N62°26'19"E 941.04 feet from the center of said Section, thence S88°30'07"E 208.78 feet; thence S01°20'55"W 200.67 feet; thence S88°04'30"E 251.62 feet to a point in the NE¼, which lies N80°16'28"E 1308.71 feet from the center of said Section, total length equals 661.07 feet or 40.06 rods,

said easement contains 0.759 acre more or less, and is subject to Exhibits "B" and "C" (Safety Requirements) attached hereto and by this reference made a part hereof.

CONDITIONS: Consideration for the grant of this easement pursuant to Iowa Code section 306.45 is set forth in the certificate of the Right of Way Director of the Iowa Department of Transportation filed with the State Land Office. This easement is subject to the conditions imposed by Iowa Code sections 306.24, and 306.45, and to all other conditions imposed by law, and to the right of a utility association, company or corporation to continue in possession of a right of way in use at the time of this conveyance.

I, Terry E. Branstad, Governor of the State of Iowa, have caused this instrument to be issued and the Great Seal of the State of Iowa to be affixed at Des Moines, on this 7th day of March, 2016.

Terry E. Branstad, Governor of Iowa

Paul D. Pate, Iowa Secretary of State

I hereby certify that the foregoing Easement is recorded in Vol. 27, Page 119, in the State Land Office.

Paul D. Pate, Iowa Secretary of State
EXHIBIT B

1. The Right-of-Way and easement hereby granted shall be used for the construction, installation, operation, maintenance, reconstruction, replacement, and abandonment of a pipeline, and all appurtenances thereto, including markers, valves, and cathodic protection equipment, over, under, upon, through, and across the Right-of-Way for the transportation of gases, liquids, solids, or any combination thereof, together with the right at any time to enter upon said Right-of-Way on foot or with vehicles for any purpose connected with such use and to maintain such pipeline in good operating condition and to make such alterations, repairs, or replacements thereof from time to time as Grantee may require; and also together with the right of reasonable ingress to and egress from said Right-of-Way over lands of Grantor to and from a public road or highway at such locations as Grantor may reasonably direct.

2. Grantor covenants and agrees not to place or permit the placement of any building, structure, tree, shrub, barrier, object, or material over, under, or upon said Right-of-Way which might interfere with Grantee’s free access thereto or to said pipeline and appurtenances and Grantee’s free and uninterrupted use thereof and exercise of its rights hereunder and not to engage in or permit any activity which would directly or indirectly alter the depth of soil cover over or under the pipeline or appurtenances and not to move or place heavy objects or materials within a limit of 25 feet of such pipeline or appurtenances. Grantee shall have the right to remove any object, barrier, or other material located in violation of the aforesaid limit or which otherwise might Interfere with Grantee’s free access to said Right-of-Way, pipeline, and appurtenances and Grantee’s free and uninterrupted use thereof and exercise of its rights hereunder. Grantee shall have the right to remove and/or trim any trees or tree limbs and to mow, cut, or otherwise control any brush, weeds, or other undesirable vegetation located within or overhanging the Right-of-Way at any time, without any compensation due to Grantor.

3. Grantor shall retain the right to use and enjoy said Right-of-Way for any purpose, and to operate on said lands vehicles and equipment necessary to and normally associated with such uses, provided such uses and operation of such vehicles and equipment do not interfere with the exercise of the rights of Grantee hereunder and do not endanger said pipelines and appurtenances or interfere with Grantee’s free and uninterrupted use thereof. Any such uses of the Right-of-Way by Grantor shall be in conformance with Grantee’s then-current “Right-of-Way Use Restrictions” document.

4. Grantee covenants and agrees that said pipelines shall have a minimum initial depth of cover equal to thirty-six (36) inches and that after completion of construction of such pipeline and after any alteration, repair, or replacement thereof Grantee will restore the surface of the lands to its original elevation, contour, and condition insofar as may be practicable.

5. Grantee hereby releases, indemnifies and holds Grantor harmless from any damages and expenses for loss or injury to persons or property that may be caused by Grantee, its employees, representatives, agents or contractors and sub-contractors while performing its activities on or about Grantor’s land, except to the extent such damages and expenses are caused solely by the intentional acts or omissions of Grantor.

6. It is hereby agreed that this Right-of-Way and the rights granted hereunder may be assigned in whole or in part by Grantor; that the covenants made herein shall extend to and be binding upon the administrators, personal representatives, successors, and assigns of the parties hereto; that no one representing himself to be an agent, officer, or employee of Grantor shall have authority to make any commitment or agreement in regard to the subject matter hereof which is not expressed herein and that no commitments and agreements other than those contained herein will be binding upon the Grantee; and that if the term “Grantor” represents more than one owner, a payment made to any one of them shall be accepted as and deemed payment to all.
EXHIBIT C

The Parties acknowledge that the underlying fee to a portion of the easement area will be transferred by the Grantor to BNSF Railway Company ("BNSF") or CBEC Rail Company ("CBEC") at a later date. Any part of the easement area granted by this document, included in said future transfer, that will intersect or lie within BNSF's or CBEC's rail corridor shall be subject to the following:

Safety Requirements:

Prior to entering the Premises, and at all times during the term of this Easement Agreement, Grantee shall comply, and shall cause its contractor, any subcontractor, any assignee, and any contractor or subcontractor of any assignee performing work on the Premises or entering the Premises on behalf of Grantee (collectively, "Grantee's Contractors"), to comply, with all applicable federal, state and local laws, regulations, ordinances, restrictions, covenants and court or administrative decisions and orders, including Environmental Laws (defined below) (collectively, "Laws"), and all of BNSF's or CBEC's applicable safety rules and regulations including those found on the website noted below.

No Grantee Party may enter the Premises without first having completed the safety orientation found on the website: www.contractororientation.com.

Grantee shall not conduct any activities on, or be present on, any portion of the Premises or BNSF's or CBEC's rail corridor or property that is within twenty-five (25) feet of any active railroad track, except in the presence of a flagman. In any case where a flagman or flagmen are required in connection with the presence of individuals on BNSF's or CBEC's rail corridor or the Premises, Grantee shall provide as much advance notice as possible prior to any entry upon the Premises. BNSF or CBEC shall arrange for the presence of the flagman or flagmen as soon as practicable after receipt of such notice from Grantee.

Grantee will only use public roadways for vehicular crossings from one side of the tracks to the other.

If BNSF premises are to be entered, grantees shall notify BNSF's Roadmaster at 4302 GIBSON ROAD, Omaha, NE, telephone 402-422-5249 or 402-440-3717, at least ten (10) business days prior to construction of the Electric Supply Line and prior to entering the Premises for any subsequent maintenance thereon.

If CBEC premises are to be entered the grantees shall notify Iowa Interstate Roadmaster, Rance Lund, Located at 4 Locust St., Atlantic, IA 50022, Telephone 712-243-6723 or Cell number 319-330-4395, at least ten (10) business days prior to construction of the Electric Supply Line and prior to entering the Premises for any subsequent maintenance thereon.

APPLICATION TO THE CHIEF JUDGE OF THE 4th JUDICIAL DISTRICT FOR THE APPOINTMENT OF A COMMISSION TO APPRAISE DAMAGES

Description: The lands and/or property rights sought to be condemned or affected are described on the attached Notice of Condemnation which is made a part of this Application. Plat: The location of the right of way or other property rights sought to be condemned or affected are shown on the plat(s) attached to and a part of the attached Notice of Condemnation.

Minimum Land Needs: The minimum amount of land necessary to achieve the public purpose is as described in and shown on the Notice of Condemnation and attached plat(s).

Names and Addresses: The names and addresses of the record owners, lienholders, encumbrancers and other persons affected by this proceeding are listed on the attached Notice of Condemnation.

Purpose: The Department of Transportation desires the rights specified in the lands sought to be condemned for the improvement and/or maintenance of roads and streets within the State of Iowa.

Statement of Individual Rights: The Iowa Department of Transportation has provided the owner(s) with a statement of their individual rights and written notification as required under Sec. 6B.2A:

Good Faith Negotiations: The Applicant has made an effort to negotiate in good faith with the
owner(s) to acquire the property sought to be condemned. These efforts include:
1. Provided the owner(s) with written notification at least 30 days prior to the intent to proceed with this public improvement.
2. Provided the owner(s) with a copy of the appraisal of the property sought.
3. Discussed the basis of determining value.
4. Reviewed the project design plans.
5. Discussed the contents of the acquisition contract.
6. Addressed owner's questions and concerns.
7. Provided the owner(s) with a written offer of the fair market value.

Based on these efforts, we were unable to reach an agreement.

**Agricultural Land:** A part of the lands sought to be appropriated may be classified as Class I or Class II within an agricultural area and, if so classified, is reasonably necessary for this internal improvement.

**Request:** NOW, THEREFORE, the Iowa Department of Transportation hereby requests the appointment of a compensation commission of six qualified persons to view the premises and appraise the damages which the owners, lienholders, encumbrancers and other persons affected will sustain by reason of this Condemnation.

Dated at Ames, Iowa, this 3 day of November, 2011.
