OFFICE OF
THE SECRETARY OF STATE
STATE LAND OFFICE

Easement No. 6113E

The STATE OF IOWA, pursuant to Iowa Code Section 306.45, subject to conditions listed in this easement, hereby conveys a permanent easement for pipeline to NuStar Pipeline Operating Partnership, L.P., and its heirs, assigns, and successors in interest in real estate in Pottawattamie County, Iowa, described as:

See Exhibits "A" and "B", subject to Exhibit "C", attached hereto and by this reference made a part hereof.

The real estate described within this easement is a part of the United States of America Interstate Highway System presently operated under the control and authority of the State of Iowa. The State of Iowa, their heirs and assigns, hereby reserve all such rights and privileges so that the land may be used for highway purposes without the easement granted in this document interfering with or abridging the rights of the State of Iowa to operate a highway within the Federal Interstate System. Notwithstanding the foregoing, in the event the State of Iowa requires grantee to relocate its pipeline or otherwise incur any costs associated therewith pursuant to the State of Iowa’s right in the preceding sentence, the State of Iowa shall pay for all costs associated with such relocation.

CONDITIONS: Consideration for the grant of this easement pursuant to Iowa Code section 306.45 is set forth in the certificate of the Right of Way Director of the Iowa Department of Transportation filed with the State Land Office. This easement is subject to the conditions imposed by Iowa Code sections 306.24, and 306.45, and to all other conditions imposed by law, and to the right of a utility association, company or corporation to continue in possession of a right of way in use at the time of this conveyance.

I, Terry E. Branstad, Governor of the State of Iowa, have caused this instrument to be issued and the Great Seal of the State of Iowa to be affixed at Des Moines, on this 15th day of August, 2013.

Terry E. Branstad, Governor of Iowa

Paul D. Pate, Iowa Secretary of State

I hereby certify that the foregoing Easement is recorded in Vol. 27 Page 163 in the State Land Office.

EXHIBIT C

1. The easement area is State of Iowa highway right-of-way. Grantee shall obtain a Work in Right-of-Way Permit from the Iowa Department of Transportation (DOT) District Four (4) office before any construction or maintenance work is performed in the easement area, and it shall comply with all requirements of DOT’s Utility Accommodation Policy found at 76 I.A.C. Chapter 115.

2. The easement hereby granted shall be used for the construction, installation, operation, maintenance, reconstruction, replacement, and abandonment of a pipeline, and all appurtenances thereto, including markers, valves, and cathodic protection equipment, over, under, upon, through, and across the easement area for the transportation of gases, liquids, solids, or any combination thereof, together with the right to enter upon said easement area on foot or with vehicles for any purpose connected with such use and to maintain such pipeline in good operating condition and to make such alterations, repairs, or replacements thereof from time to time as Grantee may require; and also together with the right of reasonable ingress to and egress from said Right-of-Way over lands of Grantor to and from a public road or highway at such locations as Grantor may reasonably direct.

3. Grantee covenants and agrees that said pipeline shall have a minimum initial depth of cover equal to thirty-six (36) inches and that after completion of construction of such pipeline and after any alteration, repair, or replacement thereof Grantee will restore the surface of the lands to its original elevation, contour, and condition insofar as may be practicable.

4. To the maximum extent permitted by law, Grantee hereby releases, indemnifies and holds Grantor harmless from any damages and reasonable expenses for loss or injury to persons or property that may be caused by Grantee, its employees, representatives, agents or contractors and sub-contractors while performing its activities on or about Grantor’s land to the extent such damages and expenses are caused by the intentional acts or omissions, negligence or willful misconduct of Grantee.

5. It is hereby agreed that this easement and the rights granted hereunder may be assigned in whole or in part by Grantee; that the covenants made herein shall extend to and be binding upon the administrators, personal representatives, successors, and assigns of the parties hereto; that no one representing himself to be an agent, officer, or employee of Grantee shall have authority to make any commitment or agreement in regard to the subject matter hereof which is not expressed herein and that no commitments and agreements other than those contained herein will be binding upon the Grantee.
