Dear Mayor Gluba:

Thank you for your letter expressing your concerns about the 2010 Census counts for the City of Davenport, Iowa as part of the Count Question Resolution (CQR) Program.

We reviewed the documentation you provided in conjunction with the official 2010 Census records as part of our research to resolve your questions. Our research found errors in the geographic placement of housing units/group quarters related to the City of Davenport. The updated census tract and block counts will be available at www.census.gov/prod/cen2010/notes/errata.pdf and will soon be posted to http://factfinder2.census.gov.

Enclosed is the official statement from the U.S. Census Bureau describing the corrected housing unit and associated population counts for the City of Davenport. The corrected housing unit and associated population counts also affect the City of Bettendorf, Iowa. The CQR case that resulted in this change is Case Number 90605.

Thank you for your efforts to ensure that the 2010 Census counts are as accurate as possible. If there are further concerns, please contact the CQR Program Office at 301-763-9329.

Sincerely.
