Overview

What is the General Election?

The general election is held in even-numbered years to elect federal and state officers, county and township officers, and other officers as provided by law. It is also held to decide public measures at the city and county level and vote on constitutional amendments.

[§39.1, 39.3(7)]

Nomination Methods

There are four ways a candidate can be nominated to appear on the general election ballot.

1. Nomination at Primary Election

Any candidate who was nominated at the primary election is automatically placed on the general election ballot as the candidate for the political party that nominated him or her. These individuals do not need to file any paperwork after the primary election unless nominated by write-in votes.

[§43.66, 43.67]

2. Nomination After Primary Election by Political Party Convention (vacancy or necessary substitution)

If a political party fails to make a nomination at the primary election or if the person who was nominated withdraws or dies, the party can hold a convention to nominate another candidate for that office. Candidates must file an affidavit of candidacy and political party convention certificate.

[§43.78]

3. Nomination by Non-Party Political Organization (NPPO) Convention

Non-party political organizations (NPPOs) are political organizations that do not meet the requirements to become a political party. NPPOs do not need to file any special paperwork to be officially recognized by the State. NPPOs can hold conventions to nominate candidates for the general election. Candidates must file an affidavit of candidacy and NPPO convention certificate.

[§44.1]

4. Nomination by Petition

Candidates who are not affiliated with any political party or NPPO may circulate nomination petitions to get their names on the general election ballot. Candidates who are affiliated with an NPPO can also circulate nomination petitions that specify the name of the NPPO.

[§44.4, 44.17, 45.1, 45.5]

Important Note about “Independent” Candidates:

The term “independent” is used by candidates and the general public to refer to candidates who are not running under any party or NPPO’s ticket. In Iowa, if a candidate

writes the word “Independent” on nomination papers, that candidate is indicating membership in the “Independent” NPPO and will be listed on the ballot that way. If a candidate intends to run without any party or NPPO affiliation, the box next to “Not affiliated with any organization” on the nomination petition and affidavit of candidacy should be checked. The candidate’s name will appear on the ballot without any reference to a party affiliation.

Nomination Papers

Each candidate must file an affidavit of candidacy and nomination petitions or convention certificate with the county auditor for county offices or the Secretary of State’s Office for federal and state offices. The affidavit of candidacy and nomination petitions or convention certificate must be filed together or they will be rejected.

Exception: Township officials only file an affidavit of candidacy.

Important Note for Governor and Lt. Governor Candidates: Candidates for Governor and Lt. Governor must file as a team.

Copies of nomination papers are available at the county auditor’s office or on the Secretary of State’s website: sos.iowa.gov/elections/electioninfo/General/index.html.

[§43.88, 44.2, 44.4, 44.17, 45.1(7)(b), 45.4]

Filing Period

Nomination papers must be filed during the filing period. They cannot be filed before or after the following dates:

Preparing Nomination Papers

Affidavit of Candidacy

Each candidate must complete and file an affidavit of candidacy. Affidavits lacking the required information listed below cannot be accepted. The affidavit of candidacy form is available on the Secretary of State's website: <http://sos.iowa.gov/elections/pdf/candidates/affidavit.pdf>.

- Candidate's Name

The candidate's name must be printed exactly as the candidate wishes the name to appear on the ballot. No parentheses, quotation marks, or titles (e.g. Dr., Mrs., etc.) may be included. Please provide the phonetic spelling of the candidate's name. This is helpful for producing audio ballots for voters who are visually impaired. Be as clear as possible. For example, Eisenhower = "EYES-in-how-er".

- Office Sought and District (if any) –**In 2022 district boundaries are subject to redistricting**

The name of the office and the congressional, state senate, house, supervisor district or other district (if any) that the candidate is running for must be included.

- Vacancy Information

Is the candidate running to fill a vacancy due to the death, resignation, removal, or temporary appointment of an office holder?

The "yes" box must be checked if the candidate is running to fill the remainder of an unexpired term. This happens when an incumbent office holder resigned, died, or was removed from office before the end of the term and another officer was appointed (not elected) to fill the remainder of the unexpired term. Contact the county auditor or Secretary of State with questions about whether you are running to fill a vacancy.

- Type and Date of Election

The 2022 General Election will be held on Tuesday, November 8.

- Candidate Affiliation

This is a required field for partisan offices. Only candidates who were nominated by Democratic or Republican party conventions may use those parties' distinctions. The name of a NPPO cannot be more than five words and no part or version of the words Democratic or Republican may be used as part of the NPPO's name.

Important Note about "Independent" Candidates:

The term "independent" is used by candidates and the general public to refer to candidates who are not running under any party or NPPO's ticket. In Iowa, if a candidate writes the word "Independent" on nomination papers, that candidate is indicating membership in the "Independent" NPPO and will be listed on the ballot that way. If a candidate intends to run without any party or NPPO affiliation, the box next to "Not affiliated with any organization" on the nomination petition and affidavit of candidacy should be checked. The candidate's name will appear on the ballot without any reference to a party affiliation.

- Candidate's Home Address

Candidates must provide their house number and street name, city, and county of residence. Mailing address, phone, and email are optional but do assist the filing office and the public in contacting the candidate.

- Candidate's Affirmation, Signature, and Notarization

The affidavit must be notarized. A notarial officer must be present when the candidate signs the affidavit and will complete the verification on the bottom of the affidavit. Once an affidavit is notarized, the affidavit cannot be altered.

Affidavits missing the information listed below must be rejected:

- Candidate's name
- Office sought and district (if any)
- Candidate's signature
- Signature of notary public

[§44.3(2), 45.3, 45.5(5)]

Important Note for Governor and Lt. Governor Candidates: Candidates for Governor and Lt. Governor file as a team; however, each candidate should file an affidavit of candidacy.

Nomination Petitions

Candidates who are not affiliated with any political party or NPPO may circulate nomination petitions to get their names on the general election ballot. Candidates who are affiliated with an NPPO can also circulate nomination petitions that specify the name of the NPPO. Candidates must collect signatures on nomination petitions and file the petitions at the same time the affidavit of candidacy is filed.

Nomination forms are available on the Secretary of State's website:

- Partisan office: <http://sos.iowa.gov/elections/pdf/candidates/nompetpartisan.pdf>
- Non-partisan office: <http://sos.iowa.gov/elections/pdf/candidates/nompetnonpartisan.pdf>
- Governor / Lt. Governor:
<http://sos.iowa.gov/elections/pdf/candidates/nompetgovernor.pdf>

Candidate Information

Before anyone signs the petition, the required information in the candidate header of every petition page must be completed.

Best Practice: Complete the candidate header on one petition page and make copies of that page so all petition page candidate headings are identical.

The information listed below must appear on each petition candidate header for all offices. Signatures cannot be counted on petition pages missing the following information:

- Candidate's Name

The candidate's name should be printed exactly as the candidate wishes the name to appear on the ballot. No parentheses, quotation marks, or titles (e.g. Dr., Mrs., etc.) may be included.

Important Note for President/Vice President Candidates: Candidates for Governor and Lt. Governor file as a team. Both candidates must be named on the same petition.
[§45.1(7)(a)]

- Office Sought

- Office District (if any)

The candidate must provide the district number (if any). Signatures on petition pages that do not provide the applicable district number (when required) cannot be counted.

District boundaries are subject to the redistricting process following the 2020 census.

- Election Date

The 2022 General Election will be held on Tuesday, November 8.

- Signers' and Candidate's Affirmation of Residence

The following statement must appear on each petition page:

"We, the undersigned eligible electors of the appropriate county, supervisor, legislative district, city, school district, or school or community college director district in the state of Iowa, hereby make the nomination outlined above. If the candidate named above accepts the nomination, we believe the candidate is or will be a resident of the appropriate county, supervisor, legislative district, city, school district, or school or community college director district within the time frame required by law (60 days prior to the general election for state senate and state house candidates.)"

[§45.5, 45.6]

The following information should also appear on each petition header for all offices:

- Vacancy Information

Is the candidate running to fill a vacancy due to the death, resignation, removal, or temporary appointment of an office holder?

The "yes" box must be checked if the candidate is running to fill the remainder of an unexpired term. This happens when an incumbent office holder resigned, died, or was removed from office before the end of the term and another officer was appointed (not elected) to fill the remainder of the unexpired term.

Contact the county auditor or Secretary of State with questions about whether you are running to fill a vacancy.

- Candidate Affiliation

Either "Not affiliated with any organization" or "Name of Non-Party Political Organization" must be marked. If affiliated with an NPPO, the NPPO's name must be listed on each petition page header. The name of the NPPO cannot be more than five words and no part or version of the words Democratic or Republican may be used as part of the NPPO's name. The name of the NPPO will be listed after the candidate's name on the ballot. If "Not affiliated with any organization" is marked, the candidate's name will appear on the ballot without any reference to a party affiliation.

- Signers' County of Residence

This is only required on petitions for U.S. senate, U.S. representative, and statewide candidates. Petition pages should only include signatures from one county for these offices.

- Candidate's County of Residence

Signature Requirements

See the candidate qualifications chart on pages 3-4 for the number of signatures required. Signatures gathered for the 2020 general election must come from within the boundaries of the district (applicable). **These boundaries are subject to the redistricting process following the 2020 census.**

Supervisor Plans 1 and 2 Counties

Petition signers may live anywhere in the county.

Supervisor Plan 3 Counties

Petition signers must live in the supervisor district.

[§43.15(3), 45.1(5), 45.1(6)]

Collecting Signatures

Eligible electors of the appropriate county or district (if applicable) may sign nomination petitions. An eligible elector meets all of the requirements to register to vote but does not have to be registered to vote. An eligible elector must be:

- A citizen of the United States
- A resident of Iowa
- At least 18 years old

An eligible elector may not:

- Be a convicted felon (unless voting rights have been restored by the president or governor, including by executive order)
- Be currently judged incompetent to vote by a court
- Claim the right to vote in any other place

[§39.3(6)]

Candidates may sign their own petitions assuming they are eligible electors of the county or district.

Candidates may begin collecting signatures at any time. However, the signers must still be eligible electors when the papers are filed in order for the signatures to count.

All signers must include the following information:

- A signature (the signature may be printed)
- The address of their residence

This must include a house number, street name, and city. Providing a post office box only is not sufficient. A signer who is homeless should describe where the signer lives or write “homeless.”

There is no limit on the number of nomination petitions one elector may sign for different candidates.

[§45.5, 45.6]

Important Note: Petition signers often use “ditto” marks when appropriate (e.g. when the name of a city or the date of signing the petition is the same as the previous signer). The use of ditto marks alone does not invalidate a signature.

NPPO Information and Method to Fill Ballot Vacancies

NPPOs may file the names and addresses of the organization’s central committee and chairperson and secretary. It may also specify the organization’s provisions (if any) for filling vacancies in nomination. If it wishes to make a substitution for a ballot vacancy, the NPPO must file this information.

[§44.17]

Political Party Convention Certificate

If a political party fails to make a nomination at the primary election or if the person who was nominated withdraws or dies, the party can hold a convention to nominate another candidate for that office. Candidates must file an affidavit of candidacy and political party convention certificate.

Important Note: The *Iowa Code* does not provide a “start date” for filing nomination papers from political party conventions held after the primary election to fill general election ballot vacancies. The nomination papers must be filed by the filing deadline but may be filed anytime after the state canvass of votes for the primary election for federal and state offices or anytime after the county canvass of votes for county offices.

Filing Checklist

- Review affidavit and nomination petition headers or convention certificate.**

Nothing can be added to a notarized affidavit of candidacy, convention certificate or a petition header if there are signatures on the page. Nomination papers can only be returned to the filer if they have been rejected.

[§44.16, 45.5(4)]

- Count the signatures.**

Best Practice: File more than the required number of signatures since it is possible for signatures to be challenged. If there are signatures on a petition that should not be included, simply draw a line through the names. Those signatures will not be counted.

- Organize nomination petitions by county (federal and statewide candidates only).**

This will help speed the review process by the Secretary of State's Office.

- Make a copy of nominations papers for own records.**

- Bind nomination papers together.**

Nomination papers may be rejected without examination if not bound together.

Best Practice: Use staples or a three-ring binder.

- File both the affidavit and nomination petitions or convention certificate at the same time.**

[§44.3, 45.3]

- File as early as possible.**

Nomination papers will be inspected for completeness before they are accepted for filing. If papers are filed early, candidates may have time to correct any errors in rejected papers and resubmit them.

Nomination papers may be filed in person or by mail. When filing by mail, postmark dates are irrelevant. The filing officer must receive the papers by 5 p.m. on the filing deadline. If candidates would like to be contacted when their nomination papers have been received, they should indicate that when they mail their papers and include a daytime phone number at which they can be reached.

Important Note: It is the responsibility of the candidate to ensure the nomination papers are received by the filing officer before the deadline.

Frequently Asked Questions

Can I run for more than one office?

No. If a candidate files nomination papers for more than one office appearing on the same ballot, the candidate must file an affidavit on or before the last day to file candidate nomination papers declaring the one office for which the candidate wishes to run. If the affidavit is not filed, the candidate's name cannot appear on the ballot for any of the offices for which the person filed nomination papers.

Exception: This prohibition against seeking more than one office does not apply to:

- County agricultural extension council members, or
- Soil and water conservation district commissioners

[§39.11, 49.41]

Can I hold more than one office?

Statewide elected officials, state senators, and state representatives cannot hold more than one elective office at time.

All other elected officials cannot hold more than one elective office at the same level of government at a time. For example, a person could serve on the school board and county board of supervisors, but a person could not serve on the county board of supervisors and serve as county auditor.

Exception: This prohibition against holding more than one office does not apply to:

- County Agricultural Extension Council Members
- Soil and Water Conservation District Commissioners
