

## Absentee Request Signed POA

Date:

Dear

We received your request for an absentee ballot; however, our office cannot mail you an absentee ballot. The absentee request was signed by someone with power of attorney. Under Iowa law, someone who has power of attorney does not have the right to request an absentee ballot for another person.

Enclosed is a new absentee ballot request. If you need assistance in signing your name, you may use a rubber stamp reproduction of your signature. You may also request help from someone in signing your name on the request form.

Your absentee ballot request must be received by the auditor's office by 5 p.m. on Friday, \_\_\_\_/\_\_\_\_/\_\_\_\_.

If you have any questions, please contact my office at

Sincerely,

County Auditor and Commissioner of Elections
