

General Election In-Person Absentee Voting Instructions

Check in with an election official to obtain a ballot and ask them for assistance if you need help marking your ballot.

- 1. Go into a voting booth.**
- 2. Read and mark your ballot carefully.**

Fill in each voting target completely next to your choice. Do not use an **X** or a **✓**. Ballots that are not marked correctly cannot be counted.

Each office title lists the number of candidates for which you may vote. Do not mark more voting targets than that number. You may choose to vote for fewer candidates, or you may skip any race.

If you mark too many voting targets in a race, the votes for that race cannot be counted. The other correctly marked races will be counted. Do not erase, cross out mistakes or make any mark that would identify your ballot later. If you make a mistake, do not cast the ballot. Ask an election official for a new ballot.

You may override your straight party vote for any office by filling in the voting target(s) next to the name(s) of the candidate(s) you choose. Your straight party vote will not count for that office.

To cast a write-in vote for a person whose name is not on the ballot, write the name on the write-in line below the candidates' names and fill in the voting target in front of the name you wrote.

- 3. Review your ballot.**
- 4. Return your ballot to an election official.**

Place your ballot in the secrecy envelope (if provided) and then place the secrecy envelope/ballot inside the affidavit envelope. Complete and sign the affidavit envelope. Seal the affidavit envelope and return it to an election official.
