

## Return Ballot as Soon as Possible

Date:

Dear

A ballot for the election on Tuesday, \_\_\_\_/\_\_\_\_/\_\_\_\_ is being mailed to you because of the absentee ballot request you recently submitted. Please be aware that your request was received so late that it is unlikely your absentee ballot can be returned on time to be counted.

Your absentee ballot must be postmarked on or before \_\_\_\_/\_\_\_\_/\_\_\_\_ or it cannot be counted.

Even if postmarked on time, your absentee ballot must also be received in the county auditor's office by \_\_\_\_/\_\_\_\_/\_\_\_\_. If your ballot is postmarked on time but received after this deadline, it cannot be counted.

You may deliver your voted absentee ballot to the county auditor's office before the polls close at \_\_\_\_ p.m. on election day. Voted absentee ballots cannot be delivered to the polling place on election day to be counted.

If you wish to vote at the polls on election day, take your absentee ballot and surrender it at the polling place for your precinct and vote a regular ballot. If you do not know where the polling place is for your precinct, call the county auditor's office.

If you have any questions, please call the county auditor's office at

Sincerely,

County Auditor and Commissioner of Elections
