Absentee Voting Instructions

- 1. Read and mark your ballot carefully.**
- 2. Fill in each oval completely next to your choice.** Do not use an X or a ✓. Ballots that are not marked correctly cannot be counted.

Each office title lists the number of candidates for which you may vote. Do not mark more ovals than that number. You may choose to vote for fewer candidates, or you may skip any race.

If you mark too many ovals in a race, the votes for that race cannot be counted. The other correctly marked races will be counted.

To cast a write-in vote for a person whose name is not on the ballot, write the name on the write-in line below the candidates' names and fill in the oval in front of the name you wrote.

3. Review your ballot.

Do not erase, cross out mistakes, or make any mark that would identify your ballot later. If you make a mistake, print a new ballot and start over.

4. Return your ballot.
