

Scenarios for Absentee Precinct Atlas

(using NIACC satellite)

1. Regular voter (Julie Ketchum)
2. Address change (Ken Kline to 723 S Monroe Court)
3. Inactive voter (Robert J Burns) message - reactivated when voter signs request
4. EDR (after VR deadline) Scott Davis, 725 S Monroe Ct, 10-20-70 (before deadline no ID needed, put on **purple** form)
5. Voters ineligible to vote at satellite location (Wayne W Anderson and Brent T Abele)
6. Voter was mailed an absentee ballot:
 - Gabe Marroni – brought in voted
 - Pat Marroni – brought in unvoted
 - Warren Butler – has ballot, needs a new one
 - Howard Jones – left ballot home
 - Linn Hamilton – didn't receive/lost ballot (**green** form)
 - Lois Fingalsen – mailed ballot, then moved to 924 N Delaware (will void mailed ballot)
7. EDR voter will be 18 by election day: Shelby Davis, 725 S. Monroe Ct, DOB 9-26-92

*New reporting elements to illustrate:

- Ballot count – **new** screen “voted mailed ballots”
- **New** report: voted mailed ballots

To use the PEO Training database for these scenarios, change the date of the election to 9-28-10, and changed the VR deadline to 9-17-10.
