## Overview

### **What is the Primary Election?**

The primary election is held for members of the political parties to nominate candidates for the general election. Currently, there are two political parties in Iowa: the Democratic Party and the Republican Party. Winners of the primary election will have their names automatically placed on the general election ballot.

[§39.3, 43.1, 43.3]

Candidates who have no party affiliation or who are affiliated with a non-party political organization (NPPO) cannot appear on a primary election ballot. These candidates must file during the general election filing period to have their names placed on the general election ballot.

### **Nomination Papers**

Each candidate must file an affidavit of candidacy and nomination petitions with the county auditor for county offices or with the Secretary of State's Office for federal and state offices. The affidavit of candidacy and nomination petitions must be filed together or they will be rejected.

Copies of nomination papers are available at the county auditor's office or on the Secretary of State's website: [sos.iowa.gov/elections/primary-election](http://sos.iowa.gov/elections/primary-election)

[§43.11, 43.14, 43.18, 43.19]

### **Filing Period**

Nomination papers must be filed during the filing period. They cannot be filed before or after the following dates:

#### Federal and State Offices:

**First day:** Monday, February 23, 2026

**Last day:** Friday, March 13, 2026 – 5:00 p.m.

## Preparing Nomination Papers

### Affidavit of Candidacy

Each candidate must complete and file an affidavit of candidacy.

The affidavit of candidacy form is available on the Secretary of State's website:  
<http://sos.iowa.gov/elections/pdf/candidates/affidavit.pdf>.

The affidavit should include the following information:

- Candidate's Name

The candidate's name must be printed exactly as the candidate wishes the name to appear on the ballot. No parentheses, quotation marks, or titles (e.g. Dr., Mrs., etc.) may be included. Please provide the phonetic spelling of the candidate's name. This is helpful for producing audio ballots for voters who are visually impaired. Be as clear as possible. Example: Eisenhower = "EYES-in-how-er."

- Office Sought and District (if any)

The name of the office and the congressional, state senate or house, or supervisor district or other district (if any) that the candidate is running for must be included.

- Vacancy Information

Is the candidate running to fill a vacancy due to the death, resignation, removal, or temporary appointment of an office holder?

The "yes" box must be checked if the candidate is running to fill the remainder of an unexpired term. This happens when an incumbent office holder resigned, died, or was removed from office before the end of the term and another officer was not elected *or* another officer was appointed (not elected) to fill the remainder of the unexpired term.

Contact the county auditor or Secretary of State with questions about whether you are running to fill a vacancy.

- Type and Date of Election

The 2026 Primary Election will be held on Tuesday, June 2.

- Candidate Affiliation

Either Democratic or Republican must be marked.

- Candidate's Home Address

Candidates must provide their house number, street name, city, and county of residence. Mailing address, phone, and email are optional but do assist the filing office and the public in contacting the candidate.

- Candidate's Affirmation, Signature, and Notarization

The affidavit must be notarized. A notarial officer must be present when the candidate signs the affidavit and will complete the verification on the bottom of the affidavit. Once an affidavit is notarized, the affidavit cannot be altered.

Affidavits missing the information listed below must be rejected:

- Candidate's name
- Office sought and district (if any)
- Candidate's party affiliation
- Candidate's signature
- Signature of notary public

[§43.14(4), 43.14(5), 43.18]

## **Nomination Petitions**

Candidates must collect signatures on nomination petitions and file the petitions at the same time the affidavit of candidacy is filed. A nomination petition form is available on the Secretary of State's website: <http://sos.iowa.gov/elections/pdf/candidates/nompetprim.pdf>.

### **Candidate Information**

Before anyone signs the petition, the required information in the candidate header of every petition page must be completed.

**Best Practice:** Complete the candidate header on one petition page and make copies of that page so all petition page candidate headings are identical.

The information listed below must appear on each petition candidate header for all offices. Signatures cannot be counted on petition pages missing the following information:

- **Candidate's Name**

The candidate's name should be printed exactly as the candidate wishes the name to appear on the ballot. No parentheses, quotation marks, or titles (e.g. Dr., Mrs., etc.) may be included.

- **Office Sought**

- **Candidate's County of Residence**

The candidate's county of residence must be indicated for all offices except for state senator and state representative.

If a state senator or state representative candidate, petition candidate header must include a statement that the candidate will be a resident of the legislative district at least 60 days before the general election.

- **Office District (if any)**

The candidate must provide the district number (if any). Signatures on petition pages that do not provide the applicable district number (when required) cannot be counted.

- **Election Date**

The 2026 Primary Election will be held on Tuesday, June 2.

- **Candidate Affiliation**

Either Democratic or Republican must be marked.

- **Signers' Affirmation of Residence**

The following statement must appear on each petition page:

*"We, the undersigned eligible electors of the appropriate county, supervisor or legislative district in the state of Iowa, hereby make the nomination outlined above. If the candidate named above accepts the nomination, we believe the candidate is or will be a resident of the appropriate county, supervisor or legislative district within the time frame as required by law (60 days prior to the general election for state senate and state house candidates)."*

[§43.14]

The following information must appear on each petition candidate header for U.S. Senate, U.S. Representative, and statewide candidates:

- Signers' County of Residence

This is required on petitions for U.S. Senate, U.S. Representative, and statewide candidates. Each petition page should include signatures from only one county for these offices.

[§43.15(3)]

The following information also should appear on each petition candidate header for all offices:

- Vacancy Information

Is the candidate running to fill a vacancy due to the death, resignation, removal, or temporary appointment of an office holder?

The "yes" box must be checked if the candidate is running to fill the remainder of an unexpired term. This happens when an incumbent office holder resigned, died, or was removed from office before the end of the term and another officer was not elected or another officer was appointed (not elected) to fill the remainder of the unexpired term. Contact the county auditor or Secretary of State with questions about whether you are running to fill a vacancy.

## **Signature Requirements**

See the candidate qualifications chart on pages 2-3. Signatures gathered for the 2026 Primary Election must come from within the boundaries of the district (if applicable).

## **Collecting Signatures**

Eligible electors of the appropriate county or district (if applicable) may sign nomination petitions. An eligible elector meets all of the requirements to register to vote but does not have to be registered to vote. An eligible elector must be:

- A citizen of the United States
- A resident of Iowa
- At least 18 years old

An eligible elector may not:

- Be a convicted felon (unless voting rights have been restored by the president or governor)
- Be currently judged incompetent to vote by a court
- Claim the right to vote in any other place

[§39.3(6)]

Candidates may sign their own petitions assuming they are eligible electors of the county or district.

Candidates may begin collecting signatures at any time. However, the signers still must be eligible electors when the papers are filed in order for the signatures to count.

All signers must include the following information:

- A signature (the signature may be printed)
- The address of their residence

This must include a house number, street name, and city. Providing only a post office box is not sufficient. A signer who is homeless should describe where the signer lives or write "homeless".

[§43.14(2), 43.15(1)]

There is no limit on the number of nomination petitions one elector may sign for different candidates.

**Important Note:** Petition signers often use "ditto" marks when appropriate (e.g. when the name of a city or the date of signing the petition is the same as the previous signer). The use of ditto marks does not invalidate a signature.

## **Filing Checklist**

**Review affidavit and nomination petition headers.**

Nothing can be added to a notarized affidavit or a petition header if there are signatures on the page. Nomination papers can be returned by the filing officer only if they have been rejected.

[§43.14(3), 43.16]

**Count the signatures.**

**Best Practice:** File more than the required number of signatures since it is possible for signatures to be challenged. If there are signatures on a petition that should not be included, simply draw a line through the names. Those signatures will not be counted.

**Organize nomination petitions by county (federal and statewide candidates only).**

This will help speed the review process by the Secretary of State's Office.

**Make a copy of nominations papers for your own records.**

**Bind nomination papers together.**

Nomination papers may be rejected without examination if not bound together.

**Best Practice:** Use staples or a three-ring binder.

**File both the affidavit and nomination petitions at the same time.**

[§43.14, 43.19]

**File as early as possible.**

Nomination papers will be inspected for completeness before they are accepted for filing. If papers are filed early, candidates may have time to correct any errors in rejected papers and resubmit them.

Nomination papers may be filed in person or by mail. When filing by mail, postmark dates are irrelevant. The filing officer must receive the papers by 5:00 p.m. on the filing deadline. If candidates would like to be contacted when their nomination papers have been received, they should indicate that when they mail their papers and include a daytime phone number at which they can be reached.

**Important Note:** It is the responsibility of the candidate to ensure the nomination papers are received by the filing officer before the deadline.

## Frequently Asked Questions

### **Can I run for more than one office?**

No. If a candidate files nomination papers for more than one office appearing on the same ballot, the candidate must file an affidavit on or before the last day to file candidate nomination papers declaring the one office for which the candidate wishes to run. If the affidavit is not filed, the candidate's name cannot appear on the ballot for any of the offices for which the person filed nomination papers.

**Exception:** This prohibition against seeking more than one office does not apply to:

- County Agricultural Extension Council Members
- Soil and Water Conservation District Commissioners

[§39.11, 49.41]

### **Can I hold more than one office?**

Statewide elected officials, state senators, and state representatives cannot hold more than one elective office at the same time.
